## Nursing support for children 0–19 years

Happier | Healthier | Hopeful

**The Children's Community Nursing teams provide services for children aged 0–19 years.**

**We provide short-term nursing support such as wound care, as well as support for**

**long-term conditions and specialist training for carers and patients. The team works**

**with children and their families to enable early discharge from hospital and prevent readmission.**

We can be lead professionals for families who have a child with highly complex needs. We also provide palliative care.

### **The team consists of:**

- Specialist community children's nurses who have developed an expertise in children with complex and lifelong health problems
- Children's community nurses
- Specialist continence nurse
- Clinical lead for continence
- healthcare practitioners
