

SERVICES

“Transforming the **services** we provide together with our **#partners** and **communities**”

“Working **together** to **provide services** in people’s homes, or as **close to home** as possible, and **supporting people** to recover and **live independently.**”

FIT FOR THE FUTURE - make the RIGHT CHANGES to modernise & localise our SERVICES

This is the commitment set out in our **Five Year Strategic Plan**. We will know we have achieved this by measuring the following five outcomes:

1. **SEAMLESS CARE**; by working in **PRIMARY CARE COMMUNITIES**
2. Using the **MOST APPROPRIATE SETTING OF CARE**
3. **MAXIMISE REHABILITATION** and **RECOVERY** to **ENABLE** people to be as **INDEPENDENT** as possible
4. **PROACTIVE CARE** and **SUPPORT FOR PEOPLE** with long term conditions to **OPTIMISE THEIR HEALTH AND WELLBEING**
5. **INTEGRATED CARE** that addresses both **MENTAL AND PHYSICAL HEALTH NEEDS** together

SERVICES

“Transforming the **services** we provide together with our **#partners** and **communities**”

“Working **together** to **provide services** in people’s homes, or as **close to home** as possible, and **supporting people** to recover and **live independently.**”

Our **priorities** for **2016/17** include:

CHILDRENS Improvement Board.

MENTAL HEALTH strategy and priorities – inpatient and crisis, improve response to Emergency Mental Health with Cumbria Police and NHS Cumbria CCG.

PLACE Based Integrated Care Communities – Develop and agree population health plans to deliver more care outside hospitals, aligned with Success Regime and Better Care Together.

COMMUNITY HOSPITALS – Agree service development plan and approach to community hospital/unit bed consolidation in the north of the county (exc Millom).

ELECTRONIC Patient Record – Roll-out into Children and Families & Mental Health Care Group.

PARTNERSHIP – Supporting the stabilisation of services NOW and building a solid base for service development and transformation through our Participation Strategy. Involve communities in service development through community engagement plans.

DEVELOPING shared back office and clinical support services across organisations.
