

Collecting and sharing information

Assessment and treatment means finding the best way to help you

To do the assessment I need to find out some things about you

- I will talk to you
- I will talk to the people who help and support you

The people I need to talk to are:

We will write to you. We will let you know about your care.

Do you need:

Easy Read

Large Print

Pictures

CD

Other.....

To help you understand what the Learning Disability Team works we have 4 leaflets to give to you: Tick if given

1. Who we are and what we do

2. Consent: Saying yes and no

3. Information about you

4. Compliments and complaints

This assessment is for (e.g. FACE Core, Cognitive assessment etc.):

You do not have to take part in the assessment if you don't want to

It is up to you to decide

Yes I am happy for this assessment take place

No I do not want the assessment to take place
