**Statement of main factors taken into account in making the above declaration**

In making the above declaration, the main factors which have been taken into account by the Board of Directors are as follows:

The financial plan for 2018/19 includes further DHSC revenue support loans to finance the planned deficit, in line with the Trust's control total. The Board declaration assumes that this finance will be made available to the Trust. Delivery of this plan is dependent on achieving efficiencies at a level that can only be secured by working closely with other organisations within the local health and care system. The Board is committed to this and is satisfied that strong partnership working arrangements are in place.

Signed on behalf of the board of directors, and, in the case of Foundation Trusts, having regard to the views of the governors
